

THIRTEENTH ANNUAL CRIVELLA GOLF TOURNAMENT

BENEFITING THE

The Crivella Golf Tournament was created for friends and family to come together and enjoy the game of golf. Ten years ago, we decided that the tournament would be run to not only enjoy the game of golf but also to benefit a worthy charitable cause.

For the past seven years the Tournament has been held to benefit the Casey Cares Foundation, a private, tax-exempt 501(c)(3) charity that provides uplifting programs to critically ill children and their families. Casey Cares now provides support to over 600 families. Thanks to our volunteers, sponsors and golfers, over these seven years the Tournament raised over \$300,000.00 for Casey Cares. We look forward to continuing to benefit Casey Cares this year and for many years into the future.

In 2000, beginning with five families, Casey Baynes founded the Casey Cares Foundation. Generous supporters have enabled Casey Cares to provide activities to over 25,000 program participants. The Casey Cares Foundation has a direct impact on critically ill children by customizing uplifting and gratifying activities with a special touch. For families whose pocketbooks and faith have been stretched to their breaking points, Casey Cares eases the burden of caring for a critically ill child by providing the "simple pleasures" for families that must make every day count. Casey Cares provides continual support, not just once in a lifetime or once a year but many times each year during a child's illness and even beyond.

There are seven different programs in which Casey Cares families participate. Casey Cares' "Family Festivities Program" provides families with tickets to sporting events, area attractions, museums, plays, live shows and concerts. Working with hotels and businesses, the Casey Cares team designs a weekend vacation package for families participating in Casey Cares "Celebration Vacation Program". For a critically ill child, celebrating a birthday is an important milestone. To honor their special day, Casey Cares initiated their "Birthday Blast Program" that provides a surprise delivery of a birthday cake, flowers, and cookie or balloon bouquets on the child's birthday. Casey Cares added the "Kami's Jammies Program" that provides new sleep ware and themed pajama parties to children on extended hospital stays. Casey Cares also has, the "Caring Connections Group Party Program" allows families to meet, share and lean on each other while taking part in fun group activities. Casey Cares' "Better Together Program" encourages families who have lost a child to continue to participate with Casey Cares' program for an additional year to help. Finally, Casey Cares has their "Hammy's Heart Program" that offers gift cards to families who need assistance with their grocery bills.

On behalf of the Casey Cares Foundation, your support of their efforts through this year's Crivella Golf Outing is greatly appreciated.

BEER AND BEVERAGE SPONSOR

Brewer's Alley is Frederick's first Brewpub. Brewer's Alley is proud to continue the long history of beer making in a town known for its deep appreciation of fine fermented spirits. The name itself is taken from a page of history. Brewer's Alley was located on what is currently South Court Street. Beer Production ceased in 1901 when a large fire consumed the brewery of John Kuhn, who was the last in a long line of brewers to occupy space along the banks of Carroll Creek. For over 153 years, from the very beginning of Frederick County, Brewer's Alley was a fixture in the social and economic landscape of Frederick. Ninety-five years after leaving Frederick, Brewer's Alley is back! Brewer's Alley's location at 124 North Market Street is steeped in Frederick history. The first residents of Frederick held a lottery to raise money to build a town hall and market house on this location in 1765, which was completed in 1769.
