

SEVENTEENTH ANNUAL CRIVELLA GOLF TOURNAMENT

BENEFITING THE

The Crivella Golf Tournament was created for friends and family to come together and enjoy the game of golf. Fourteen years ago, we decided that the tournament would be run to not only enjoy the game of golf but also to benefit a worthy charitable cause, including the American Cancer Society and the FBI Scholarship Memorial Fund.

This will be the 11th year the tournament has been held to benefit the Casey Cares Foundation, a private, tax-exempt 501(c)(3) charity that provides uplifting programs to critically ill children and their families. Thanks to our volunteers, sponsors, and golfers, over these ten years the Tournament raised over \$550,000.00 for Casey Cares. We look forward to continuing to help Casey Cares this year and for many years to come.

The Casey Cares Foundation is celebrating its 22nd year anniversary. In 2000, beginning with five families, Casey Baynes founded the Casey Cares Foundation. Generous supporters have enabled Casey Cares to provide activities to over 213,155 program participants. The organization has grown 25% on average year after year, meaning they double the number of families they support every four years. By the end of the year, Casey Cares will have sent 100,000 pairs of pajamas to hospitals, filling orders for dozens of hospitals that rely on the organization's pajamas for their patients. The Casey Cares Foundation has a direct impact on critically ill children by customizing uplifting and gratifying activities with a special touch. For families whose pocketbooks and faith have been stretched to their breaking points, Casey Cares eases the burden of caring for a critically ill child by providing the "simple pleasures" for families that make every day count. Casey Cares provides support, not just once in a lifetime or once a year but many times each year during a child's illness and even one year beyond remission.

There are six different programs in which Casey Cares families participate. Casey Cares' "Family Festivities Program" provides families with tickets to sporting events, area attractions, museums, plays, live shows and concerts. For a critically ill child, celebrating a birthday is an important milestone. To honor their special day, Casey Cares initiated their "Birthday Blast Program" that provides a surprise delivery of a birthday cake, flowers, and cookie or balloon bouquets on the child's birthday. Casey Cares added the "Kami's Jammies Program" that provides new sleep ware and themed pajama parties to children on extended hospital stays. Casey Cares also has, the "Caring Connections Group Party Program" allows families to meet, share and lean on each other while taking part in fun group activities. Casey Cares' "Better Together Program" encourages families who have lost a child to continue to participate with Casey Cares' program for an additional year to help. Finally, Casey Cares has their "Hammy's Heart Program" that offers gift cards to families who need assistance with their grocery bills. Typically, a child will participate in about five programs each year.

On behalf of the Casey Cares Foundation, your support of their efforts through this year's Crivella Golf Outing is greatly appreciated.

THE CHRISTOPHER A.P. CHASE
CHAMPION OF CHILDREN AWARD

Beginning four years ago, our tournament began recognizing the individuals and/or companies that have been longstanding supporters of the Crivella Golf Tournament, and thus Casey Cares, by awarding the Champion of Children Award. Following the passing of one of our long-time players and dearest friends, we renamed the award the “Christopher A.P. Chase Champion of Children Award” to recognize the life of one of the finest young men you could find. Despite recurring medical issues, Chris always came out to play in the Crivella Golf Tournament. More importantly, Chris knew - as a wonderful husband and a great father - that we need to look out for our children and their families. One of Chris’ last acts prior to his passing was to grab his phone while in the hospital and donate to Casey Cares. Chris is most deserving of having this award named after him. We miss you, Chris! With Chris’ name on the award, each year we strive to find those individuals and/or companies that mirror the qualities exemplified in Chris.

THIS YEAR’S CHRISTOPHER CHASE CHAMPION OF CHILDREN AWARD WINNER IS:

MARC BASTOW

Marc (aka MC Hoops) has individually sponsored the Crivella Golf Tournament since inception. Marc’s commitment to children extends beyond the Crivella Golf Tournament and the Casey Cares Foundation. Marc has been involved with Future Link since 2016 as a Curriculum Facilitator and member of its Board of Directors since 2020. In that role, Marc is dedicated to helping underserved students choose, work towards, and succeed in their chosen profession or career direction.

Marc is a graduate of the University of Connecticut (Go Huskies!!) and The American University Kogod School of Business. Professionally, Marc has over 30 years’ experience in corporate finance, commercial banking, relationship management, and equipment financing as a Vice President with CitiCorp, Pitney Bowes, and General Electric. Marc is a published author with experience writing on a wide spectrum of financial topics including stocks, bonds, financial education and planning, and market and sector analysis. He founded and served as content producer and writer for MocoSportsFan.com covering high school sports. He initiated Montgomery County, MD sports coverage for The SportsFan Network, writing numerous features, stories, and game coverage on a variety of sports.

Marc lives in Montgomery County with his wife, Nancy. He has two children, Jillian and Alex, and three grandsons. He spends his free time playing basketball, golf, and spending endless days of summer at the beach teaching his grandkids how to ride the waves. Perhaps, Marc’s most important accomplishment is that he has been a long-standing member of the MC Hoops – a group of – now – over the hill basketball wanna bees – who have played basketball at Montgomery College **for close to 50 years!!**

We thank Marc for his unwavering support. He has helped many Casey Cares children and their families. They are most appreciative – as are we!! Marc joins Maria Kenny, Ken Crowley, Bob Sampson, Drew Flott and Revere Bank as a select group of honorees as the Christopher A.P. Chase Champion of Children Award!!
